DRIVE

YOUR

STYLE

Rediscover your mobility with the colorful Stromer ST1 X. The e-bike is perfectly suited to your individual city style and is packed full of innovations. All of the technology is seamlessly integrated in the design, including the touchscreen that allows you to take control of your ST1 X e-bike – such as locking and unlocking it. You can also download the Stromer OMNI app to ensure that you are always connected to your e-bike. With anti-theft protection, geo-localization, overview of kilometers/miles ridden and other configuration options, everything can be accessed via your smartphone. Now discover your city in a stylish format with the new ST1 X.
